1. Appointments & Matchmaking Sessions

Each qualified buyer attends the exhibition, first and foremost, to do business with our exhibitors. Therefore, each buyer is committed to a minimum number of eight (8) appointments per day. This still leaves lots of time for buyers to take advantage of other elements at the show: networking, walking the floor, and exploring new products. Appointment Sessions will be monitored: Forms signed by the exhibitor must be submitted by the end of each day to Food Africa's matchmaking team help desk in the exhibition venue.

2. Stay for the day

Once your appointments are done, or in between if you prefer, we ask that you spend your time exploring new products, suppliers, and generally checking out the exhibiting companies. Buyers are expected to attend and remain engaged throughout the full 3 days of the event.

3. Provide your feedback

Each buyer is provided with a feedback form upon their arrival at the hotel in Cairo, This form must be submitted to our team at the hotel help desk before departure, as it helps us improve our next show session.

4. Travel & Logistics

- Travel schedules are organized by the exhibition team to maximize a buyer's time at the exhibition, and it is expected that buyers adhere to these arrangements. Changes to these schedules should be requested by email prior to final confirmation.
- If a hosted buyer's flight is delayed, cancelled, or missed for any reason, the next available flight to Cairo should be taken. The hosted buyer must inform us as soon as possible. We will not be responsible for any additional costs incurred.
- Check-in time is 3:00 pm, Check-out time is 12:00 pm. Early Check-in & Late Check-out: "Subject to availability of room."
- Cancellations can only be accepted if notified via email at least 2 weeks before the opening of the exhibition.
