Subject: Promoting relations with the Chamber of Commerce of Amman

Good afternoon Mr. Nabil and Mr. Hisham,

This is Samia from Thai Embassy. I am writing to inform and seek your kind cooperation in two matters.

1. Creating database on Jordanian Businessmen. Please find the google link below that we have created to gather the information on the businessmen from Jordan that are interested in doing business/already trade with Thailand. We would like to start gathering information for the joint seminar that we plan to organize later this year.

We would appreciate it if you could disseminate the link to businessmen and companies, so that we can get a precise information.

2. The visit of the Phuket Tourist Association: we have been in touch with the Phuket Tourist Association who are interested in visiting Amman and do the pre-sale and promoting Phuket in Amman.

They are considering either to come before or after Arabian Travel Mart in Dubai. We would very much appreciate it if you could support us with the business matching and courtesy calls on important relevant

organizations. I wonder if you could confirm with me if you still advise them to come after?

Best regards,

Samia
