3	Sterling Pacific Ventures Corp.	Toll Manufacturer of Ice Cream (OEM)	No specific Brand		www.spvcph.com	Sterling Pacific Ventures Corp (SPVC) stands as the pioneering and premier custom manufacturer of ice cream in the Philippines, upholding stringent International quality standards, notably FSSC 22000 certification. Originally rooted in providing alternative sweeteners and low-calorie beverage products, our journey has evolved into a distinguished contract manufacturing company specializing in premium ice cream products and an array of other food and beverage items.
4	KKK FOOD CORPORATION	KANGKONG CHIPS	KANGKONG KING	HACCP, HALAL, GMP, FDA	WWW.KANGKONGKING.COM	Our story began with a simple yet profound love for snacking, sparked in the heart of our founder, Frank Gaw. What started as a humble yet beloved appetizer in restaurants took on new life when Frank saw its untapped potential. With vision and determination, he transformed crispy kangkong (water spinach) into a unique and irresistible snack, offering it in a variety of sizes and flavors! In June 2019, Kangkong King made its debut at a local bazaar, where it was met with overwhelming warmth and enthusiasm. Just four months later, in September 2019, we proudly opened our first kiosk at Robinsons Place Manila. Today, we stand as pioneers, operating the first HACCP-Certified kangkong chips facility in the world. From a simple yet cherished Filipino snack, we have turned crispy kangkong into a global delight, sharing the rich flavors of the Philippines with the world. Our journey is a testament to passion, innovation, and the belief that even the simplest joys can unite people everywhere.
