**H.E. Mr. Omar B. AL NAHAR**  
**Ambassador Extraordinary and Plenipotentiary**  
**of the Hashemite Kingdom of Jordan to the Republic of Azerbaijan**

Dear Mr. Ambassador,

On behalf of Caspian Event Organisers and Iteca Caspian companies, I would like to extend our sincere gratitude for your cooperation throughout 2025. We greatly value your continued interest in our events and are confident that the upcoming year will present even greater opportunities for collaboration and engagement.

We are pleased to share with you the calendar for the 2026 exhibition season. Please find the detailed calendar of events attached. Additionally, we would like to provide you with an overview of the results from the exhibitions held in 2025, which are also enclosed. These results highlight the number of participating companies for each exhibition and reflect the ongoing growth of our initiatives.

International exhibitions in Azerbaijan continue to receive significant attention from the country's leadership. This year, Ilham Aliyev, President of the Republic of Azerbaijan personally attended several key events, including Caspian Oil&Gas and Caspian Power (known as Baku Energy Week), as well as Caspian Agro, and InterFood Azerbaijan exhibitions.

In 2025, approximately 1,200 companies from over 60 countries participated in our exhibitions, which attracted over 45,000 professional visitors from more than 70 countries. All our trade events are conducted with the support of government agencies and international organisations, underscoring their importance for fostering global partnerships.

We kindly request your assistance in forwarding the 2026 Exhibition Calendar to organisations that may have an interest in establishing business ties in Azerbaijan. Furthermore, we would greatly appreciate it if this calendar could be made available on your embassy's official website.

With your valued support, we aim to increase the participation of companies from Jordan in the exhibitions organized by Caspian Event Organisers and Iteca Caspian, thereby contributing to stronger trade and economic relations between our countries.

Once again, thank you for your cooperation during the past year. We look forward to strengthening our collaboration further and would be delighted to welcome you as a guest of honour at our future exhibitions.

Yours sincerely,

**Farid Mammadov**  
**General Director**
