Company Profile

At Forthright Teas, We operate with over four decades of industry experience and is committed to producing factory-fresh, Pure Ceylon Tea of consistently superior quality. Guided by the principles of integrity, trust, and excellence, we uphold rigorous standards throughout our operations.

All products are manufactured under strict hygienic conditions at our modern processing facility in Kelaniya, Sri Lanka, and we are certified with ISO 22000, GMP, UTZ, Halal, and GSI standards. With a focus on value-added tea exports, we provide a comprehensive portfolio of packaged tea, tea bags, and bulk tea solutions designed to support a range of brand identities and market requirements. Every batch is selectively sourced from distinguished Ceylon tea estates, ensuring that only premium, high-grade teas are delivered to our customers across the world.

Forthright Teas operates under a family-led management, ensuring generational continuity and a strong, client-centric commitment to customer satisfaction. We focus on building long-term partnerships while delivering products that embody the authentic heritage of Ceylon's world-renowned tea traditions.
