Subject: Turkish Delight & Baklava – Wholesale & Partnership Offer
Attachments: İNG KATALOG.pdf

Dear Sir/Madam,

I hope this message finds you well and in good health.

We are a Turkey-based producer and exporter of traditional Turkish delight, located in Istanbul. In addition, we produce baklava under our own brand Emre Baklava in Romania.

Currently, we operate three Turkish delight and coffee shops in Istanbul, where we proudly offer authentic flavors to both local and international customers.

We offer door-to-door delivery to European countries, and we regularly export our products to the United States and the Middle East.

We would be pleased to explore a potential business cooperation with your company. If you are interested in wholesale supply or partnership opportunities, please do not hesitate to contact us.

Looking forward to hearing from you.

Best regards,
Ramazan Altun
