About EFEC

About Us:

The Egyptian Furniture Export Council (EFEC) is an independent entity established by Ministerial decree from the Egyptian Ministry of Investment and Foreign Trade to support one of the fastest developing industrial sectors in Egypt. The established council, EFEC, would then serve as a supporting arm to producers through various capacity-building mechanisms in order to exponentially increase their productions capabilities thereby maximizing Egypt's ability to compete worldwide in the global market. EFEC acts as an advisory board that proposes strategies and development plans to be implemented by the ministry to achieve the development of the industry and increase exports. In addition to the aforementioned mandate stipulated in the Ministerial Decree, aims to enhance the competitiveness of the Egyptian furniture industry through various services and activities.

Main Sectors:

- Residential furniture
- Office furniture
- Outdoor & Public furniture
- Metal Furniture
- Doors & windows
- Educational furniture
- Contract and Hotel furnishing
- Kitchens
- Mattresses
- Wooden Floorings
- Others (Wood Pellets, etc.)
