## Global Fitness Market Booms in 2026! Is Your Brand Ready to Capture the Next Wave of Opportunities?

As global health awareness rises, the fitness market is experiencing unprecedented growth. According to Research Nester, the fitness equipment market size reached \$16.14 billion in 2024 and is projected to exceed \$39.69 billion by 2037, with a CAGR of over 7.1%, highlighting the tremendous potential of the global fitness industry.

### Spotlight on Five Key Fitness & Sports Themes

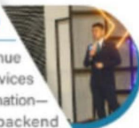

#### Fitness Zone

Home and commercial fitness equipment, smart solutions, women's training, and full gym setups. A complete, one-stop training ecosystem.

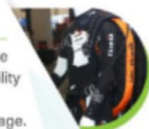

#### Sport Tech & Hub

AI motion analysis, smart venue management, and data services driving digital sports transformation—from live experience to backend operations.

#### Outdoor Explore

Hiking, camping, water, and extreme sports gear with a focus on sustainability and adventure. More than equipment—a lifestyle stage.

#### Wellness & Lifestyle

Sports nutrition, rehab, activewear, plus fitness gear for kids and seniors. Promoting balanced health with diverse supplements and recovery products.

#### Team Sports Arena

Indoor/outdoor ball sports gear, competitive equipment, training tools, and venue solutions. Covering all needs from stadium build to athlete training.

If you are interested in visiting and attending the B2B meeting, we will provide **FREE** flight tickets or accommodation programs, please contact us to get more information
