Subject: Cooperation Opportunities with AZPROMO (AZERBAIJAN)

Dear All,

My name is Gunel Shikhmammadova, Director of the International Relations and Analytics Department at the Export and Investment Promotion Agency of the Republic of Azerbaijan (AZPROMO).

Allow me to briefly introduce AZPROMO. The Agency operates under the Ministry of Economy of the Republic of Azerbaijan and is responsible for promoting Azerbaijan's export potential and attracting foreign investment. AZPROMO works closely with international partners, investors, and local companies to facilitate business cooperation, provide market insights, and support investment projects in Azerbaijan.

You may find more information about AZPROMO and its activities on our official website:

www.azpromo.az

Additionally, information on Azerbaijan's investment environment, upcoming events planned to be held in Azerbaijan, as well as a selection of investment projects can be accessed via the following link:

Furthermore, we are interested in promoting the export of Azerbaijani products to the Jordanian market. In this regard, we would appreciate it if you could kindly inform us about the products that may be of interest for import from Azerbaijan.

Should you have any questions regarding potential cooperation, please feel free to contact me or my colleague, Ms. Khayala Majidli, Senior Specialist at the Department for Work with International Organizations (khayala.majidli@azpromo.gov.az).

We look forward to exploring potential areas of cooperation.

Hörmətlə,

Günel Şıxməmmədova
